THE BRAIN CONFERENCES

This is to certify that

Kalomoira Kefala

presented the poster entitled

Increased respiratory effort during sleep, due to inflammation, and increased metabolic needs, tissue hypoxia, and oxidative stress are at the origin of autism upon critical periods of brain development

at The Brain Conference on

Principles of the Adaptive Mind

Crete, Greece, 27-30 October 2025

30 October 2025

Prof. Sonja Hofer
Chair, The Brain Conferences Committee
